Rebecca McClain is a certified life and business coach. She is the founder of Life Treasures LLC. As an entrepreneur, author, speaker and coach she inspires people all across the nation and internationally. She holds a bachelor's degree in Business Administration and an MBA in Accounting & Taxation.

Rebecca is touching the lives of people from all walks of life with her self-empowering message. She is committed to assisting individuals in finding their passion and purpose, and inspiring them to exploit their un-tapped potential. Having made a bold move to quit her six-figure corporate job to pursue her passion, she knows the frustration of being suspended in reality longing for a sense of purpose.

Rebecca is also passionate about helping women flourish in business. She hosts a Self-employed Women's Teleforum on the first Tuesday of each month. This call gives female entrepreneurs a voice to help build thriving businesses. It is a safe place to talk about challenges, successes and to brainstorm solutions. Women leave the call feeling supported and inspired to do more and think bigger than ever.

She is the author of three books: *On the Road to Freedom: Journey to Becoming Debt Free*; *Manifesting Our God-given Treasures: The Stewardship of Life*; and her latest release, *Redesign Your Reality: A Blueprint for How to*
